Kitchen Stand Mixer Model Poser Format

Product URL <https://poserworld.com/3d-kitchen-stand-mixer-model>

Short Description: The 3D kitchen stand mixer for Poser and DAZ Studio in Poser 3D model format has movements for various pieces of the mixer and bowl. Everything is parented to "stand", the bowl is movable, the mixer head tilts, both knobs on either side of the mixer head move, the attachment head rotates and the beat attachment is spinable.

The mixer color can be easily changed to suit your needs.
