Farm Hay, Livestock Feeders and Water Trough Models

Product URL <https://poserworld.com/farm-hay-livestock-feeders-and-water-trough-models>

Short Description: The 3D farm hay, livestock feeders and watering trough models for Poser and DAZ Studio is a six piece model set. The set includes a standing hay feeder, a dried corn feeder, a hay roll feeder, a water trough, a hay roll and bale of hay. This 3D farm model set works perfectly without our farm barn, fenced paddock, grain silo, windmill, open shed and farm house models. This model set took 12 hours to model and texture.
