NOTES*

The bottom of the jacket will poke through the legs of the trousers with this set, but if you select the buttocks on the jacket and use either the bend or side by side dials you can bring them out of the pants, might come in handy to give a flared look too, i will add morphs to this set at a later date...I have included the pin stripe texture with this set even though it is lacking, especially when the arms are down but there may be situations where it can be
