Candy Bar and Wrapper Models Poser Format

Product URL <https://poserworld.com/3d-candy-bar-and-wrapper-models>

Short Description: The 3D candy bar and wrapper food models for Poser and DAZ Studio has two wrapper models. The closed wrapper contains no candy bar. The open candy bar wrapper has a candy bar in it that may be slid out (candy bar main) and is parented to the wrapper. The Candy bar bite piece is parented to the candy bar main model and may be hidden or moved as needed.
