Vintage Eyeglasses Model for All Poser Figures Poser Format

Product URL <https://poserworld.com/3d-vintage-eyeglasses-model-for-all-pose-figures-3>

Short Description: Vintage 3D eyeglasses for Poser / DAZ / Hivewire and other figures in Poser 3D model format, has ear pieces that have movements set for adjustment or folding. The ear pieces are parented to the main frame. They are set up for the Poser Ryan figure and the preview shows them on the Poser Sydney G2 figure. The frames by default are slightly transparent and the color can be changed easily.
