Farm Water Pumping Windmill

Product URL <https://poserworld.com/farm-water-pumping-windmill>

Short Description: The 3D farm windmill model for Poser and DAZ Studio has a movement to rotate the top section and a movement to spin the blades. This model works great with our farmhouse and yard model, barn model, fenced paddock model, grain silo model and our open shed model. The windmill model took 4 hours to model and texture.
