Old West Outhouse Model with Interior and Movements

Product URL <https://poserworld.com/old-west-outhouse-model-with-interior-and-movements>

Short Description: The 3D old west outhouse building model for Poser and DAZ Studio has a movement to open and close the door. The outhouse model is perfect for any old west or early 1900's scene. This model took 6 hours to model and texture. The model works well with our old west scene and old west buildings and props.
