Old Town Building Model and Street Sections - Poser and DAZ Studio Format

Product URL https://poserworld.com/old-town-building-model-and-street-sections-poser-and-daz-studio-format

Short Description: The 3D old town building model for Poser and DAZ Studio is a facade model and has three texture panels inside that may be textured to show an interior (they are black by default). There are a total of 12 texture maps for the building and street sections, so that you may customize as you prefer.
