College Dorm Room Model with Movements

Product URL <https://poserworld.com/college-dorm-room-model-with-movements>

Short Description: The 3D modular dorm room building model for Poser and DAZ Studio has parented furniture that can be re-arranged as needed. The closet doors slide open and closed, the main entrance door has an open movement. The ceiling may also be removed if needed. Multiple rooms may be added side-by-side or stacked to create a larger building scene. This model took 12 hours to model and texture.
