Modular Single Unit Apartment with Movements for Poser

Product URL <https://poserworld.com/modular-single-unit-apartment-with-movements-main>

Short Description: The 3D modular apartment is a single unit model for Poser and DAZ Studio. They can be set side by side and across from each other to create a larger scene. All of the doors open and close (except the showers). The roof, ceiling, inner / outer perimeter walls can be hidden for better camera angles. The outside models and yard can also be hidden if needed. The interior and exterior can be used.

Full Description: The 3D modular apartment is a single unit model for Poser and DAZ Studio. They can be set side by side and across from each other to create a larger scene. All of the doors open and close (except the showers). The roof, ceiling, inner / outer perimeter walls can be hidden for better camera angles. The outside models and yard can also be hidden if needed. The interior and exterior can be used. The washer and dryer models@posted on our furniture page does fit into the laundry nook area. We also have furniture models available to furnish the interior. This model took 150 hours to model and texture.
