ODF Antonia WM (weight-mapped) Poser Figure : Antonia-WM_File_1

Product URL https://poserworld.com/odf-antonia-wm-weight-mapped-pose-figure-antonia-wm_file_1

Short Description: This download contains all you need to start using the weight-mapped version of the Antonia Polygon figure with Poser 9 and above. The folks that create Antonia have graciously allowed Poser World to host the figure for our members to download. The ODF Antonia Poser figure is a free download for all. Poser World has been given permission to host Antonia for our members to download. Due to bandwidth concerns this Poser figure download is limited to Poser World members only. Support for the ODF Antonia figure is provided by the creators of the character.
