Vienna Ball Gown for Dawn

Product URL <https://poserworld.com/vienna-for-dawn-vienna-d>

Short Description: Dawn gets an elegant ball gown, the dress has black and white textures with MAT files to change the texture. If you already have the Victoria 4 dress installed you won't need the MAT files or textures but if you don't have them please download from both links below.

Important: This item requires a separate texture map file download that will be automatically added to your cart at no additional charge, please unzip all product download files to the same runtime.
