Child Car Seat / Carrier - Poser and DAZ Studio Format

Product URL <https://poserworld.com/child-car-seat-carrier-poser-and-daz-studio-format>

Short Description: The 3D child's car seat / carrier model for Poser and DAZ Studio has a movement set on the carry arm. The arm is parented to the main model. The safety straps can be hidden if needed. The straps are parented so they can be selected and scaled a bit for a better fit.
