Vintage Gas Station Add-on Models

Product URL <https://poserworld.com/vintage-gas-station-add-on-models>

Short Description: The 3D vintage gas station add-on models for Poser and DAZ Studio go well with our vintage gas station scene. The add-on set contains an old gasoline sign, an outdoor temperature guage with arm movement, and a gum ball machine that has movements for the knob and door (plus a gum ball behind the door). These models too 15 hours to model and texture.
