8 Section Modular Kitchen Props Set

Product URL <https://poserworld.com/8-section-modular-kitchen-props-set>

Short Description: The 8-piece modular kitchen prop set has multiple sections that can be mixed and matched. The set includes: full corner section, dishwasher section, double section with two windows, refrigerator section, single section with no counter, single section with counter, sink section and stove section. All cabinet doors and drawers open and close, the dishwasher door and baskets open or slide in and out, the sink faucet is movable. All of the textures have bump maps and there are several extra appliance textures so that appliances can be matched other than the green. This set works great with our Poser World stove, refrigerator, kitchen prep table and small appliances.
