Kitchen Prep Table Poser Prop

Product URL <https://poserworld.com/kitchen-prep-table-pose-prop>

Short Description: The kitchen prep table is a kitchen station for preparing food. The drawers and cabinet doors can be opened or closed. It shows up in Poser as a "figure" due to the moveable parts. Textures and BUMP maps included. Note: you must select "BODY" when moving the table or the drawers and cabinet doors will not move with the table.
