Smart set jumper with Shoulder Fixes for Michael 4

Product URL <https://poserworld.com/smart-set-jumper-with-shoulder-fixes-for-michael-4>

Short Description: This is exactly the same as the Smart jumper we uploaded a while back except this one has morphs to fix the round shoulders, I have uploaded this separate as it is the first set created with pose specific morphs, I hope the first of many. The original set can be found here and the Pants to match, here.
