Modular Chain Link Fence Model Set - Poser and DAZ Studio Format

Product URL <https://poserworld.com/modular-chain-link-fence-model-set-poser-and-daz-studio-format>

Short Description: The 3D modular chain link fence model set for Poser and DAZ Studio contains a corner section, 2 middle sections (post on left and post on right), left and right main posts, a gate section with movable gate and latch and two small gate fence sections (left and right). You can build any size or shape fence that you need with the set. The fence sections are simple polygons with transmapped textures to keep the models lower polygon.
