## Old Bank Building Model Poser Format

Product URL <https://poserworld.com/3d-old-bank-building-model>

Short Description: The 3D old town building model for Poser and DAZ Studio is a facade model and has three texture panels inside that may be textured to show an interior (they are black by default). There are a total of 12 texture maps for the building and street sections, so that you may customize as you prefer.

Also included are a corner street section and a intersection street section that can be used to extend the "street" as needed.
