Small Green Plant Model

Product URL <https://poserworld.com/small-green-plant-model>

Short Description: The 3D small green plant model for Poser and DAZ Studio is about knee high (18 inches) and has well detailed leaf textures. The plant model is very resource friendly so you can use as many of them in a scene as you want. The plant can be scaled and rotated as needed. This model took 4 hours to model and texture.
