Mushroom Plant Models

Product URL <https://poserworld.com/mushroom-plant-models>

Short Description: The 3D mushroom plant models contains 4 different mushrooms. The textures include BUMP maps (applied) and NORMAL maps (not applied). Perfect for any fantasy, nature or other scene. The mushroom models can be scaled as small or large as needed. This model set took 4 hours of modeling and texturing (more texture time to get rid of seams and such).
