French Quarters Street and Five Buildings Scene -Buildings

Product URL <https://poserworld.com/french-quarters-street-and-five-buildings-scene-buildings>

Short Description: The 3D French Quarters New Orleans Scene for Poser and DAZ Studio contains 5 buildings and the streets. This is the first of a series of buildings for the French Quarters scene. This first set contains a hotel, a voodoo shop, a curio shop, a Boogie Woogie lounge, a Blues lounge and the complete street sections. The set contains textures with BUMP maps, however the BUMPs are not applied by default.
