Lake and Dock with Boat Scene

Product URL <https://poserworld.com/lake-and-dock-with-boat-scene>

Short Description: The 3D Lake and Dock with boat scene for Poser and DAZ Studio, also has an extra land/lake bed/water section that can be added to the main scene. Also included is the Poser World outboard motor boat. The outboard motor boat has well detailed textures and movements for the engine, front seats, throttle and steering wheel. The boat is parented to the main scene and can be moved as needed.
