Comfortable Bathroom Scene with Removable Walls

Product URL <https://poserworld.com/comfortable-bathroom-scene-with-removable-walls>

Short Description: The 3D comfortable bathroom scene / environment for Poser and DAZ Studio has removable (or hide) walls and bathroom fixtures. You can hide all of the walls, door, toilet, sink, bathtub and backdrop as needed. Everything is parented to the floor with the exception of the door, it is parented to the door wall and does have an open movement. The sink and tub have knobs that spin and the toilet handle and seats have movements. The textures are 4096 x 4096 and can be reduced to 2048 x 2048 if needed. BUMP maps are included where they are needed. The plant can be moved as needed and all of the bathroom fixtures can be arranged as needed.
