Modular Sci-Fi Corridor Scene

Product URL https://poserworld.com/modular-sci-fi-corridor-scene

Short Description: The 3D modular sci-fi corridor scene for Poser and DAZ Studio is modular.There is a section with bulkhead and doors and a section without the bulkhead. All items are parented to the floor, except the doors they are parented to the bulkhead wall. The walls, ceiling, bulkhead, etc. can be hidden or removed. You may add additional sections to form a longer corridor. This model took 14 hours to model and texture.The textures are 4096 x 4096 and well detailed. If you need to you may resize the textures down to 2048x2048.
