## **Complete 1890's Saloon Interior Scene - Poser / DAZ Format**

Product URL <https://poserworld.com/complete-1890s-saloon-interior-scene-poser-daz-format>

Short Description: The 3D 1890's complete saloon interior scene has the following: All of the walls and ceiling (and ceiling lamp fixtures) can be hidden individually. The walls, ceiling, bar, piano, spittoon and tables are all parented to the floor. The chairs around each table are parented to each table. The chair in front of the piano is parented to the piano. The ceiling lamp fixtures are parented to the ceiling. The cash register is parented to the bar and all keys, price flags and cash drawer are functional. You may duplicate the tables and chairs in the scene to add more of them to the scene. All items in the the scene may be move or rearranged as needed. Each wall has crown molding, wainscoting and floor trim. The entire scene took a total of 60 hours to model and texture.
