Formal Dining Room Scene with Movable Furniture - Poser and DAZ Studio Format

Product URL <https://poserworld.com/formal-dining-room-scene-with-movable-furniture-poser-and-daz-studio-format>

Short Description: The 3D formal dining room scene with movable furniture for Poser and DAZ Studio has a hide-able ceiling and light fixture. Everything is parented to the floor/walls (main) and all furniture and chairs are movable independently of each other. We also have quite a few housewares, artwork, other furniture and even food models to use with this scene (see our housewares, furniture and food download categories).
