Modular Mall Scene - Mall Entrance Part 4

Product URL <https://poserworld.com/modular-mall-scene-mall-entrance-part-4>

Short Description: The modular shopping mall entrance section for Poser and DAZ Studio is the 4th part of the Poser World modular shopping mall scene. All eight entrance doors open and close, the parking lot backdrop panel can be removed. The include kiosk awning can be removed and the movie and snack vending machines can be moved or used anywhere. This model set took 12 hours to model and texture. Works with: Modular Mall Part 1 - Main and Staircase Shop Sections, Modular Mall Part 2 - Food Court Section, Modular Mall Part 3 - Movie Theater Section.
