Vintage Gas Station Scene

Product URL <https://poserworld.com/vintage-gas-station-scene>

Short Description: The 3D vintage gas station model / scene for Poser and DAZ Studio has three doors that open and is perfect for a rural, vintage or other scene. We also have many vintage models to go with it in our 3D model section, Including an old soda machine, drink box, electric fan, metal desk, and an old desk phone. This set took more than 40 hours to model and texture.
