WWII P-51 Mustang Fighter Plane Prop

Product URL <https://poserworld.com/wwii-p-51-mustang-fighter-plane-prop>

Short Description: The World War II P-51 Mustang Fighter plane Poser / DAZ Studio prop is highly detailed and contains many movement morphs. The plane is perfect for any war or historic scene. If you downloaded the P-51 before June 21, 2012, 3:00PM EST US download it again. We had a problem with the existing prop not being properly parented it is fixed. Everything is now properly parented to the fuselage.
