Full Scale Graf Zeppelin Model

Product URL <https://poserworld.com/full-scale-graf-zeppelin-model>

Short Description: The 3D Graf Zeppelin model for Poser and DAZ Studio, is accurately scaled to the real thing, surprisingly it will not bog down Poser or DAZ Studio. Perfect for any historical scene or render. The door, rear rudders and propellers have movements. There are 2 textures (one with words on the model and one without). There is also a texture template included in the textures folder. This model took 10 hours to model and texture.
