Halberd Weapon Model - Remapped

Product URL <https://poserworld.com/halberd-weapon-model-remapped>

Short Description: The 3D halberd weapon model for Poser and DAZ studio has been updated (mesh and textures). The texture includes a BUMP map (applied) and a NORMAL map (no applied by default). Perfect for any ancient or fantasy scene. If you had downloaded the previous version delete all of the old files before installing this newer version. This model took two hours to model, remodel and texture.
