Old West Six Shooters and Gun Belt - REMAPPED

Product URL <https://poserworld.com/old-west-six-shooters-and-gun-belt-remapped>

Short Description: This is a 100% UV mapped and re-textured version of our original six shoot and gun belt models for Poser and DAZ Studio. The pistols can be moved separately and there is an extra pistol that has movements. We just that you remove the old pistol and belt from your runtime before installing this Guns & belt and the extra pistol model. The original model took. 10 hours to create and texture and another two hours remapping and retexturing for a total of 12 hours spent on the model.
