Japanese WWII Infantry Rifle Weapon Model - REMAPPED - 2

Product URL <https://poserworld.com/japanese-wwii-infantry-rifle-weapon-model-remapped-2>

Short Description: The Japanese World War 2 (WWII) infantry rifle is an almost perfect replica of the actual weapon. It has movements to raise the long range sight, remove the clip and to turn and pull back the bolt. Perfect for any Poser / DAZ studio war scene. This model has been completely UV mapped and re-textured. This model took 12 hours to model and texture. If you previously downloaded and installed this model, you will need to overwrite the PP2, PNG files and make sure the new texture and BUMP map replace any old files.
