Road Safety Model Set 1 Poser Format

Product URL <https://poserworld.com/3d-road-safety-model-set-1-2>

Short Description: The 3D road model safety set for Poser and DAZ Studio contains a road barrier, a rubber safety barrel with flasher light, a traffic cone and a modular pedestrian barrier. The pedestrian barrier has an (on Y rotate) axis set on the left lock ring to allow you to turn the barrier more easily and align with other barrier sections.
